# RED CENTRE NATS

11  
IN ASSOCIATION WITH  
SUMMERNATS

For over a decade, Red CentreNATS presented by LMCT+ has been Australia's most unique car festival — a weekend long celebration of custom car culture and all the amazing things that go along with it, set against a backdrop of the outback's iconic red sand and amongst some of our most recognisable international tourist attractions.

Red CentreNATS has become a pilgrimage for car and bike lovers across Australia, with entrants spending days on the road and clocking thousands of kilometres to converge on Alice Springs over the Father's Day weekend.

And once they're there, the cruising doesn't stop — it's one of the few events on the calendar where unregistered vehicles can obtain a special event permit to cruise on public roads for the combined enjoyment of entrants and spectators alike.

Get ready to experience Red CentreNATS like never before. This guide is your ultimate companion to all the action, and as the event shifts into a bold new era, we're bringing you some thrilling additions. We're revving things up with the launch of Dirt Drag Racing and Roll Racing, adding more horsepower and heart-pounding excitement to the mix.

We're also cranking up the energy at Lasseters Casino, now the new official home of Show'n'Shine and the centre of action in the town. From Wednesday night right through to the Sunday podium party finale, Lasseters will be the place to be — packed with show-stopping vehicles, epic entertainment, and non-stop vibes.

One thing that never changes is our gratitude for the incredible support that makes Red CentreNATS possible. We couldn't do it without the help of the Northern Territory Government, Alice Springs Town Council, NT Police, the Motor Vehicle Registry, and our amazing event staff. They want you to have the most fun humanly possible, safely. We thank them for their support, and you for showing your gratitude through respectful behaviour.

ENTRANT PARTY GUIDE

# HOW GREAT IS ALICE SPRINGS!

Could you think of a more uniquely Australian location to host Australia's wildest weekend-long car festival?

Alice Springs — both the literal and figurative heart of our country, is steeped in Indigenous heritage dating back tens of thousands of years. It may be one of our most isolated towns, but it's an experience you'll never forget.

We've pulled together a stack of essentials to make your Red CentreNATS experience unforgettable — starting with top accommodation picks, epic new driving events, a much-anticipated cruise route update, and an exclusive shopper loyalty program to sweeten the already amazing deal, plus a whole lot more!

# WHERE TO STAY?

If you're keen to stay somewhere that's part of the action, our Event Partners have some top spots worth checking out. [Crowne Plaza Alice Springs Lasseters](#), [Diplomat Motel](#), and [Stay at Alice Springs Hotel](#) all offer solid setups, prime locations, and an easy cruise to everything Red CentreNATS.

Or, if you're looking for a cheap and cheerful caravan park, self-catered unit, serviced apartment or luxury accommodation, there are options available across town. You're spoilt for choice, but if you need some extra assistance, Tourism Central Australia can help. Check out [Accommodation in Alice Springs](#) for wide range of accommodation options!

## MAJOR RED CRUISE ROUTE UPDATE

This is the only event in Australia where you can legally cruise the streets in your wild, highly modified, unregistered beasts, all thanks to the Northern Territory Government, and it got even better in 2025.

The official red route now covers more Alice Springs streets including scrutineering, all event venues, and importantly a number of roads used by entrants to reach their accommodation.

Check out the revised route and plan your stay in the NT at the coolest street cruising car show in the country.

There are three epic cruise routes available exclusively to Red CentreNATS entrants. Where and when you cruise will be based on your car's noise, visibility, and ground clearance – but no matter what, you're in for a hell of a ride.

Buckle up. The streets of Alice Springs are calling.

5-7  
SEPT  
2025

Red CentreNATS gives the owners of unregistered and highly modified vehicles the opportunity to cruise around outback Australia thanks to a special, temporary permit set up with the assistance of the Northern Territory Government.

It's important that your vehicle meets some basic safety standards, but the permit allows us to fill Alice Springs' streets with some of the country's wildest custom cars as a fitting celebration to all things horsepower!

For more information surrounding the temporary licence, including the form and fees are on the website.

## **VERY IMPORTANT NOTE** **ABOUT REAR BRAKES**

Your vehicle must be fitted with rear brakes. Why? If your front brakes were to fail for any reason, then a serious accident could occur. You will not be allowed to cruise if your vehicle is not fitted with rear brakes.

# RED CENTRE NATS FRINGE FESTIVAL

Kick off the Red CentreNATS weekend in style with the RCN Night Markets & Fringe Festival, right in the heart of town!

On Thursday night, cruise in, park up alongside local legends Aces and Eights and other Show'n'Shine entrants, and soak up the atmosphere.

**And NEW for RCN11**, Night Markets will be buzzing with top-notch food, drinks, arts and crafts, plus live music and entertainment to keep the good times rolling. Grab a feed, check out the rides, and settle in for a huge weekend ahead.

What other event in the country throws a party to kickstart their party?!

## WHO CAN DO IT

Approved entrants who hold a blue, yellow or green permit are invited to park up. Entrants must be scrutineered first. If you have a Friday scrutineering time, reach out to the team and we will change it to Thursday so you don't miss out on the festivities. The Aces and Eights crew will be cruising to town and have invited any RCN entrant to join in.

## Bojangles Saloon Bike Ride Through (new)

Ride your bike through this iconic Outback Pub in the middle of Alice Springs as part of the RCN Night Markets & Fringe Festival. Bikes must be a registered entrant of RCN11, and must have passed scrutineering. Rider and one passenger permitted to ride and helmets must be worn.

# SHOW 'N' SHINE

Show off your ride no matter whether it's a blown competition weapon, a lovingly restored stocker or anything in between! Park up and enjoy the views and festivities that Lasseters has to offer. Lasseters will be the new home for Shannons Show'n'Shine events, with dedicated lawns for display and show events, and indoor exhibition calls, amphitheatres and zone for elite, car clubs and Jetcor Bike Show.

With a bigger program of Show Cars in 2025, Lasseters will turn on from Friday night and the best part is you are free to leave and come back as often as you want!

## WHO CAN DO IT

All entrants are encouraged to display their vehicles for all to admire! Make sure your vehicle is presented at its best and don't forget to tell our judges about any unique or special parts of your ride.

## NEW FOR RCN11 — MULTIPLE ENTRY PASS

Got extra cars or bikes in the shed? Want to show them off without the hassle? The new Multiple Entry Pass lets you display your secondary rides in the Show'n'Shine for just \$20 per vehicle.

- ✓ For Alice Springs Red CentreNATS entrants only
- ✓ No scrutineering
- ✓ Show'n'Shine participation only (no parade or extras)
- ✓ Quick, simple entry — because who needs more paperwork?

You just need one fully registered Red CentreNATS entry for a car or bike you own.

Enter your additional vehicles [HERE](#).

# **NEW** JETCOR BIKE SHOW

Whether you're rolling in on a supersport, cruising on a HD, or ripping through the dirt on an off-road monster (yeah, we know there are a few of those in Alice), there's a spot for you at Lasseters in a dedicated zone for the Jetcor Bike Show. Park up, kickstand down, and join the crew.

Join the front of the pack, in the Yeperenye Street Parade at 3pm.

# RED CENTRE NATS CHAMPION

Of all the amazing street machines that make their way to Alice Springs for Red CentreNATS our judges have the almost impossible task of crowning one of them the Red CentreNATS Champion, and handing them the Nigel Warr Trophy.

We demand that our Champion be as tough as the outback terrain we hold the event on, so they've got to look the part and appease our judges as well as compete in 2 separate driving disciplines.

If you've built the ultimate hot rod and can dominate in the show judging and wow us with your skills behind the wheel, you'll go home with some serious prize money and the irrefutable title of Red CentreNATS Champion!

## WHO CAN DO IT

Entrants must have passed scrutineering and have a fully road registered vehicle or appropriate Temporary Registration, suitable to the RCN Champion (Red Permit minimum). If you would like to compete for the Red CentreNATS Champion, the Chief Judge must be informed prior to the compulsory driver briefing at 2PM Saturday 6 September 2025.

# THE ELITE SHED

There's more to Red CentreNATS than blown burnout cars cruising the streets and all the limiter-bashing action at the Dragway. Inside MacDonnell Hall of the Alice Springs Convention Centre at Lasseters, you'll find some of the country's best show cars, who've been specially invited to the Red Centre. Hand-picked as a result of their dominance at shows all around the country, the cars on display in The Shed are a vibrant display of the very pinnacle of custom car building in Australia.

## WHO CAN DO IT

Open to all entrants — as long as you meet the scrutineering requirements.

## WHEN AND WHERE

Judging starts right at scrutineering, then continues throughout the show on Saturday in the MacDonnell Hall of the Alice Springs Convention Centre at Lasseters

# LASSETERS TARMAC TIME TRIAL

Red CentreNATS is all about having fun behind the wheel of your car in the heart of the country, but the truth is that not every entrant is a supercharged burnout car or a blistering quick drag racer. For those that have put together a modestly-powered street car and know how to spin the wheel, the Lasseters Motorkhana is the place where outright horsepower plays second fiddle to suspension, steering and skill!

And while the event has been dominated by compacts and nimble four-cylinder entrants in the past, that's not to say that we don't love to watch the muscle car guys have a go!

## COMPETITION FORMAT

You only have seconds to manoeuvre your way through one very tight, short course without incurring any penalties.

# DIRT DRAG RACING

We're turning up the heat in 2025 with a brand-new Dirt Drag Racing track, built in collaboration with the crew at the National Road Transport Hall of Fame. This is straight-line speed with a twist — loose surfaces, ever-changing grip, and a whole lot of attitude. It's about who can launch hardest, stay planted, and put the power down where it counts.

## COMPETITION FORMAT

It's you, the dirt, and whoever's lining up next to you. Mash the throttle, keep it straight, and be first to the line. This is where traction meets talent — think you can handle it?

# ROLL RACING

Roll Racing is where raw speed meets strategy. Side-by-side sprints from a rolling start with no traction drama, just a straight shot to the finish. Build the boost, find the sweet spot, and let your top-end do the talking. If you've ever argued about who's got the faster car, here's where you settle it.

## COMPETITION FORMAT

Roll in, match pace, wait for the hit — then it's all throttle and nerve to the finish. No worrying about getting off the line clean or hooking up the power, just a pure test of acceleration and horsepower. Get it wrong, and you'll be staring at taillights. Get it right, and you've got the bragging rights.

## TRAILER OR TRANSPORTER PARKING

- Trailer parking is available at ASID
- Trailer parking is also available at Lasseters but will be limited to those in the Elite Hall and participating in the Show and Shine.
- If you and your mates are all coming to Alice Springs on a transporter, we need to know so we can make space for you and your crew! Send us an email: [rcnadmin@summernats.com.au](mailto:rcnadmin@summernats.com.au)

## A NEW DAWN OF RED CENTRENATS AWAITS!

Red CentreNATS became a beloved fixture of the Australian car show calendar after its first event, and now more than ten years later, it's thoroughly etched in to Australian car scene lore. Girt by the iconic red sands of the Australian outback, Red CentreNATS is certainly Australia's most remote car festival — hell, it may even be the world's!

It's a loud and unabashed celebration of the Australian car culture — a weekend-long festival where the days' long journey to the event is just as much fun as the show itself, and those brave enough to tackle the drive are rewarded with the country's most unique car show.

From cruising the streets in some of the country's wildest cars in Australia's largest street parade to drag racing, the burnouts and all the action off-track including the show'n'shine and plenty of live music, Red CentreNATS continues to grow in to an event that entrants and spectators alike can't wait to return to.

And all of this wouldn't be possible without you!
