& JUDGING BAYS

TRAILER VEHICLE  
SCRUTINEERING &  
JUDGING BAYS

## SCRUTINEERING PROCESS

All pre-entered entrants will have selected an hourly timeslot for scrutineering which must be adhered to upon arrival.

Entrants with vehicles on a large truck or transporter need to contact Red CentreNATS management to coordinate your scrutineering process and location. Email us at [RCNadmin@summernats.com.au](mailto:RCNadmin@summernats.com.au)

On arrival, please ensure you have the following:

- Your Red CentreNATS 11 entrant details.
- Your current drivers licence. If you are applying for a Temporary Permit a PHYSICAL licence must be produced, the Motor Vehicle Registry in the NT does not accept digital licences.
- Proof of vehicle registration (if road registered).
- Proof of third party insurance (included in most road registrations).
- Registration plates, labels and papers must all match. If you are unable to prove registration at the time of scrutineering, you will need to apply for a temporary licence.
- Motorsports Australia and/or ANDRA finance (where applicable - refer to entrant event guide for further information in regards to competitor licencing).
